Safety and warning notices

Only use the device indoors and protect it from dripping and splashing water, high humidity and heat (permissible operating temperature range 0 - 40 °C).

Do not operate the appliance if there is visible damage to the appliance, if a defect is suspected after a fall or similar, or if malfunctions occur. Always return the appliance to a specialised workshop for repair. If the appliance is to be taken out of service permanently, hand it over to a local recycling centre for environmentally friendly disposal.
