

## RCP-8730U

Order No.: 0129970

### PRODUCTINFOS

#### Rack panel, 1 RS

- Punched holes:
- 4 x D series, e.g. NC-3MDL1, NC-3FDL1, NL-2MP, NL-4MP
- Dimensions: 482 x 44.5 mm

Due to different hole spacing with panel connectors of the D and P series from NEUTRIK, manual modification of the rack panels was necessary up to now in order to prevent a lopsided installation. This series of rack panels is particularly suitable for D-type and P-type connectors and is provided with respective punched holes.
