

SONIC CHARGEPAD 500

wireless charging pad with speakerphone function

hellocolour

Slim and compact Bluetooth speaker with integrated wireless charging pad

3-in-1 Bluetooth speaker with microphone and wireless charging pad. Powerful 5W RMS speaker unit with built-in subwoofer delivers outstanding powerful sound, slim compact size yet rich bass by propriety technologies and high quality sound. Bluetooth 5.0 for less energy consumption and secure connection, delivering 15 hours playtime. Not only portable but also IPX7 waterproof allows you to use for outdoor activities wherever you like. 10W wireless turbo charging pad for quick charging of your mobile phones or wireless charging headphones. Type C jack for most common charge-in connectivity. Plus, build-in microphone enables you to call hands-free.
