

Kits

Kit 1 Angle Nozzle includes:

Order No.	Description
0053657299	KIT 1 WF Angled 60 for volume extraction consists of:
0053657899	Extraction arm
0053657799	Angled nozzle
0053657499	Stop valve
0053657599	Bench mounting bracket
0053657699	Extraction hose

Kit 1 Funnel Nozzle includes:

Order No.	Description
0053657199	KIT 1 WF Funnel 60 for volume extraction consists of:
0053657899	Extraction arm
0053657399	Funnel nozzle
0053657499	Stop valve
0053657599	Bench mounting bracket
0053657699	Extraction hose

Accessories

Order No.	Description
0053657799	WF 60 angled nozzle for flexible and articulated extraction arm.

0053657399	WF funnel nozzle 60, for flexible and articulated extraction arm, 230 mm x 100 mm.
------------	--

00587358 45	Exhaust hood, 200 x 100 mm (7.87 x 3.93 in.), recommended for use with hot air soldering operations; uses extraction hose 60.
-------------	---

0053659399	Remote control for fume extraction unit WFE 2X with 2 m (78.74 in.) cable.
------------	--

Fume Extraction Soldering Iron Attachments

Order No.	Description
0052918699	FE Attachment with tube, 6 mm (0.23 in.) for WP 120, WSP 80, WP 80, MLR 21.

0052918599	FE Attachment with tube, 4.5 mm (0.17 in.) for WMRP and WMP for fine soldering applications.
------------	--
