

UT07 SERIES

Socket Testers

Features:

- Dual Layer Insulation
- LED Indicators Detects 8 Wiring Conditions
- Leakage Test Mode on UT07B-EU
- CE Certified
- Detects Nearly All Probable Common Improper Wiring Conditions
- Simple to Use Tool for Everyone

EN 61010-1
EN 61326-1

SPECIFICATIONS

RED	RED	RED	
○	●	●	OK, leakage test passed
●	●	○	OK
○	●	○	Ground missing
○	○	○	Live missing
○	○	●	Neutral missing
○	●	●	Neutral missing
●	○	●	Live/Ground inverted
●	●	●	Live/Ground inverted and Ground missing
●: LED ON			○: LED OFF

SPECIFICATION	UT07A-EU	UT07B-EU
Rated Current		10A
Rated Voltage		230V AC
Operating Current		< 18mA
RCD	×	30mA
CE Certification		√
Double Insulation		√
Pollution level		IP40
Operating Temperature		0°C~40°C
Storage Temperature		-10°C~50°C
Relative Humidity		< 75%
Operating Altitude		2000m
Safety Level		CAT II 300V
